

# Woodstock Day Nursery

May 2008

## SUMMER IS COMING!

Now we seem to have some warmer weather, would you please bring in named sunhats for your child. We do have our own sun cream to put on the children, but if you would prefer a specific brand or make please bring a bottle with your child's name. Jelly shoes or sandals will now be suitable for the garden, especially as they are running in and out of the sandpit. Jelly shoes are ideal as they are easy to rinse off and dry.

## CONGRATULATIONS

Dannii would like to announce that she is expecting a baby at the beginning of October. She and her partner are very excited and looking forward to the event.

## STAFF CHANGES

You may have noticed that there have been some new staff at Woodstock. **Sam** and **Rachel** who are bank staff and will cover for holidays and sickness. **Hannah** as a trainee, who has just started her Level 3 qualification. **Tyler** who has completed her Level 1 at college and will start her level 2 in September. Photos will be going up on the board shortly. We would like to congratulate **Neeta** on completing her Level 3 qualification in April. Sadly, we are losing **Kieran** at the end of this month. He is off to study Law in America for a year. We wish him all the best for the future. He will be missed by all the children and staff.

## CAR PARK

We have now had two staff cars scratched in the parking area. Please take care when pulling onto and off the drive. There is not a lot of room. There are **NO** parking restrictions on the road before 10.00am, between 11am – 2pm and after 3pm. As you can see this fits in well with Nursery hours. If you do find you have had an accident in the car park, please be courteous and mention it when you go into the Nursery.

Please do not block the staff cars when picking up your children; recently staff have had to wait 20 minutes in the car park after they have finished work before they could leave for home or an appointment.

## A WEDDING

On Saturday 21st June Suzi will be walking down the aisle with Christopher Colbourne at St Mary's Church, Goring. We are sure you would all like to wish them well.

We hope that you have all seen the information on the board regarding the Race for Life which 12 of our staff are taking part in. There is a sponsor form in the hallway or alternatively you can sponsor online at [www.raceforlifesponsorme.org/woodstockdaynursery](http://www.raceforlifesponsorme.org/woodstockdaynursery) Thank you very much to all those who have sponsored us already.

## SWING FILES

Please would you check your child's swing file at least once a week. These files contain artwork, party invitations, invoices and other information. We are sure your child would not want to miss out on a party!

## TESCO & SAINSBURYS VOUCHERS

We are still collecting vouchers; please ask family and friends to keep their vouchers for us. With the Tesco Vouchers we are hoping to collect enough for a CD player which will allow up to 6 children to listen to a story or music at the same time. With the Sainsburys Vouchers we are hoping to get another large toy for the garden. Something similar to the large Connect 4 we received last summer.

## FISHERS FARM PARK—NURSERY DAY OUT

The date has been booked for Tuesday 17th June 08. Please find further information and booking forms attached to this newsletter. This will be a fun day out for all so do hope as many of you as possible will be able to attend.
